Good Afternoon Western Parents and Community Members,

With the help of MASB (Michigan Association of School Boards), we have started the process of developing a new 3 to 5 year strategic plan. The purpose of this process is to create a vision and develop goals that will help make our school district an even better place for our students to learn and prepare them for life after high school.

The strategic planning process is designed to produce several goals that will help guide the decision making process over the next three to five years. Our last strategic plan was very helpful in improving the education and support for our students. With your participation, our next plan will do the same.

There are two ways you can participate in this process. The first is to complete the survey in the link/QR code below by Friday, April 14th. The second is to attend one of the community planning sessions (60-90 minutes) on April 10th or 13th. Whether you choose to complete the survey or attend a planning session, your participation is greatly appreciated.

Sincerely,

Michael Smajda
Superintendent

Strategic Planning Sessions:

Monday, April 10th at 6:00 p.m. in the WHS Library
Thursday, April 13th at 6:00 p.m. in the WHS Library
