

Lunch Service During School Closure

Western School District is working with Concord Schools to provide lunch to our community for anyone 18 years old and younger. They need not be a resident or student of Western. This lunch service will begin Monday, March 16, 2020. The details are as follows:

- Lunch will be served from 11:00 a.m. to 12:30 p.m. Monday thru Friday
- Individuals will receive a sack lunch for that day and breakfast kit for the next morning.
- This service will be in a “drive thru” fashion at the school drop/off and pick/up route.
- As the parents approach the main entrance, staff will approach the vehicle and deliver the sack lunch and breakfast kit.
- One Meal (lunch & breakfast) Per Child.
- *All Meals Are Free* to any child 18 years and younger.
- Current meal schedule is weekdays from Monday, March 16 thru Friday, March 27. Please stay tuned for any schedule changes and additional services.

We will miss our students and hope you stay well. If you have any questions or concerns please feel free to email: Jenny Lucas at jennifer.lucas@wsdpanthers.org
