The Western School District 1:1 iPad program allows your child to take the iPad home daily at the secondary level, and as determined by the teacher at the elementary level. Taking the iPad home expands the learning day and allows students to complete projects started at school. By using the iPad at school or at home, families assume some risk. Parents/Guardians will be responsible for replacement/repair in the event of theft, loss or damage due to intentional or unintentional abuse or misuse of the iPad.

Replacement cost for the iPad is based on current market value at the time of replacement.

I have reviewed the iPad Handbook (available on the Middle School and High School home pages) for Students and Parents and understand the Rules and Guidelines for appropriate use:

- Goals
- Financial responsibilities
- Equipment
- Student Expectations
- Honor Code
- Student/Parent iPad Agreement

Terms of Agreement: The student is responsible at all times for the care and appropriate use of their assigned iPad. I understand that if my child violates the guidelines agreed to in the District Technology Honor Code or the rules and guidelines as explained in the iPad Handbook for Students and Parents, his/her privilege to take the iPad home may be restricted or removed and he/she may be subject to disciplinary action.

Please select one of the two options below:

____ **Option 1: No District Device Damage Coverage.** NO Device Damage Coverage. By opting out of the insurance plan, I agree to be responsible for paying up to the full cost of device replacement for loss, damage, or for repair of my child's iPad, per incident, as determined by school administration.

Estimated Repair Costs:

- LCD glass breakage: \$170
- Digitizer \$89
- Other Repairs \$45 - \$89

____ **Option 2: Device Damage Coverage Plan \$20.00.** I understand that I am responsible for paying the annual non-refundable enrollment fee of \$20.00. I am also required to pay a deductible per incident of damage (1st-\$0, 2nd-\$25, 3rd-\$50, 4th-\$100) towards repair of my child's iPad. (See complete details in the Student/Parent handbook.) **This plan does not cover loss or theft.**

None of the options cover damage to the charger brick (\$20), charging cord (\$20), or case (\$26).

The iPad remains the property of Western School District. At the end of the school year or upon transfer from the district, parents and student agree to return the iPad to the school at the required time, in the same condition it was issued to the student less reasonable wear.
